

## 2017 Kitten Special Promotion

I, \_\_\_\_\_ have chosen to participate in the Pawsh Place new kitten promotion bundle. I understand that by participating in this promotion I am agreeing to the following terms: I will be paying a total of \$486.70 (including tax) (regular price of \$737.98) split between two payments, or 5% off of \$486.70 if paid in one payment. The first payment of \$243.35 will be due today \_\_\_\_\_, and the second payment of \$243.35 will be due in 3-4 weeks depending on the next booster schedule and or spay/neuter age requirement (up to 16 weeks). The full amount must be paid in full prior to the surgery date of the juvenile spay/neuter. If I decide to cancel this agreement I can do so, but I understand that the monies already paid for the promotional price will no longer be applicable and the regular cost of exams, vaccines and any other fees will be assessed and I will be responsible for additional fees owed or the remainder (if any) can be applied as a credit on my account or reimbursed to me with management approval.

I understand that if I choose to wait until my kitten is older than 16 weeks of age to do the spay/neuter, then I will pay an additional fee towards the surgery cost.
